### CLOSURE OF KINDERGARTEN 3 CLASSES

This is to inform you that a few KG 3A pupils have been detected contracting chicken pox. Nine pupils have already been confirmed with contracting chicken pox by the government hospital or private clinics.

As a precautionary measure, the school has decided to give three (3) school days off to all KG 3 pupils effective from **Thursday, 24<sup>th</sup> January** to **Monday, 28<sup>th</sup> January 2019**. They should come back to school on **Tuesday, 29<sup>th</sup> January 2019**.

However, if your child develops chicken pox symptoms, he/she should be quarantined at home for at least 2 weeks or until he/she is fully recovered.

Parents are advised to take their respective child to see the doctors for early prevention measure.
