### CLOSURE OF KINDERGARTEN 1 CLASSES

This is to inform you that a few KG 1A pupils have been detected and confirmed to have contracted Hand Foot Mouth Disease (HFMD) by the government hospital or private clinics.

As a precautionary measure, the school has decided to give three (3) school days off to all KG 1 pupils effective from **Wednesday, 20<sup>th</sup> February to Monday, 25<sup>th</sup> February 2019**. They should come back to school on **Tuesday, 26<sup>th</sup> February 2019**.

However, if your child develops HFMD symptoms, he/she should be quarantined at home for at least 2 weeks or until he/she is fully recovered.

Parents are advised to take their respective child to see the doctors for early preventive measure.

Thank you for your support and consideration.
