Ball Balancing Race
Kindergarten 1A

Each team consists of 4 players. At the signal, a player with the help of his/her guardian from each team has to carry a small ball using a paper foam board up till the middle of the track. Then, the player gives the paper foam board and ball to his/her guardian to continue the race. The race continues in this manner until the last pair, who will bring the board and ball to the finishing line. The first team to complete the race wins!

Hula Hoop & Ball Obstacle Game Kindergarten 2A

Each team consists of 5 players. Parents will begin at the starting line with a hula hoop ready. Parents must twist and walk in the hula hoop. At the halfway point, the parents will wait for their child who will put the ball inside the basket. The student will transfer the balls from the container into the basket. Then the students will run together with their parents while carrying the basket to the finish line. The pair will then run back to tag the next player. The game continues in this manner until the last student crosses the finish line. The fastest team wins.

Fill The Cup & Count
Kindergarten 3A

Each team consists of 5 players. The 5 players will be standing in a line, a few metres apart from each other. Each player will have a cup and a pile of candy. The cup will decrease in size from the first student to the last. The first player will scoop the candy using the cup provided. He/she then walks with the filled up cup to the next player and pours the candy carefully into the smaller cup. The game continues in this manner, with the cup decreasing in size each time. The last student will then count the candy collected in his/her cup. The team with the most candy collected wins the race!

**Ball Tossing Relay
Kindergarten 1B**

Each team consists of 4 players. At the starting point, the child walks together with an adult by standing on his/her feet. They walk towards the hula hoop that has a basket of balls. The adult holds the empty basket and stands within another hula hoop while the child tosses 3 balls into the basket. After tossing the balls, the child stands on the parent's feet and walks back to the starting point and tags the next pair of players. The game continues in this manner until the last pair of players. The fastest team with the most balls wins the game.

Watch Your Steps
Year 1A

Each team consists of 7 players.

On the signal, a player from each house will walk by placing a piece of cardboard in front of him/her to walk until he/she reaches across the other end, pick up the cardboards and run back to the starting point and pass the cardboards to the next player. His/her feet must only step on the cardboard and not touch the ground. Students who have completed the race will then sit down and wait until the last player is done. The first player to cross the finishing line will win the race.

Crazy Waiter
Year 3A

Each team consists of 7 players. The first player in the line will must have a ping pong ball on to a plate. At the signal, the player must run as fast as they can, weaving in and out of each player down the line, while balancing the ball on the plate. Once he/she gets to the back of the line, he/she then runs straight up to the front again without weaving and gives the plate to the next player. He/she must then run back to the original position.

If the ball falls off the plate, the player must return to the front and restart. The game is played in this manner until all teams have finished. First team to run the course successfully win.

Stack Attack
Year 4B

Each team consists of 7 players. The first player must walk a short distance to the elevated hula hoop and carefully step into it, and then out of it. He/she will do this one more time at the next hula hoop, and then run to the table with cups. The player must stack the cups into a 15-cup pyramid, and then unstack it once done. He/she will then race back to the starting line, without going through the hoops again. The race continues in this manner until the last person, who will then run to the chair and sit, after unstacking his/her cups. The first team to finish the tasks and have the player sit on the chair wins!

Tin Can Stack Relay
Year 5B

Each team consists of 9 players. Each team has a basket at a distance from the starting line. The first player will run to the basket which contains 4 tin cans. He/she will take the cans and stack them vertically. Holding the cans, he/she must then run over a hurdle and around the cone at the end of the line. The player then runs back to the team and tags the next player. The game continues in this manner until the last player, who will take the cans and run to the seat at end of the line. The first team to successfully take their seats wins!
