HOW TIME FLIES

(SGS GRADUATION SONG)

[I]

How time flies is what people say
We didn't realize that we would say it soon
It seems it was just yesterday
We met new friends, we laughed and played
Together we have learnt
In this place called school

[II]

We spent most of our time and tender years
Our teachers are like parents in this place we call home
We may have come from different countries
With different colours, distinct beliefs
but that's what made us brothers and sisters, a united family

[CHORUS]

Terima Kasih, Xie-Xie, Nandri, Salamat Po
To our beloved teachers we thank you
We will never forget how patiently you've inspired us
To become the person we are now
You helped and molded us to achieve our dreams

[III]

Our time to say goodbye has swiftly come
We'll bring with us the memories we have had from this school
The fun, the laughter and the tears
With friends we grew up through the years
Will one day bring us back into this place we all call home
