### ON-LINE TEACHING AND LEARNING EFFECTIVE 9<sup>th</sup> AUGUST 2021

I refer to the Media Statement made by the Ministry of Education dated 7<sup>th</sup> August 2021. From the advice given by the Ministry of Health regarding the health and safety of students and teachers at this present time, please take note of the following:

1. Online Teaching and Learning will commence on **Wednesday, 11<sup>th</sup> August 2021** at St. George's School. Students are **NOT** required to come to school but to continue their studies through online facilities. This arrangement will continue until further notice.
2. The Online Teaching and Learning classes will strictly follow the class timetable.
3. Online classes or live streaming of lessons will be conducted by subject teachers whilst other online teaching platforms will also be used to ensure the continuous learning of our students. Therefore, please remind and encourage your child/children to join these online/live streaming classes. Teachers will continue to send notes, exercises/assignments via Emails/Microsoft Teams. Students who receive their work via Emails/Microsoft Teams are requested to submit their exercises/assignments to their respective subject teachers in the same manner.
4. Parental guidance and assistance given to your child/children will greatly help to ensure the smooth running and effectiveness of the Online Teaching and Learning classes. Please do ensure that your child/children have internet connectivity. The attendance of your child/children will be recorded daily.
5. Please also take note that the scheduled Second Assessment and Mock Examinations for all levels have been postponed until further notice.
6. Kindly take note that school hours remain the same for Morning and Afternoon Sessions for Secondary and Primary students.

Your attention and co-operation are highly appreciated.
