

About Us

St. George's School was established in 1937. The school prides itself with its multi-racial, multinational staff and students. Despite our small size, we have a wealth of diverse cultures and communities that have contributed to its unique identity.

St. George's School strives to provide a safe and appropriate academic environment that promotes each student's social, emotional and academic progress. We encourage our students to flourish, grow in self-confidence and to fulfil their potential.

OUR MISSION

St. George's School strives to provide opportunities for the overall integral development of the students through the process of effective nurturing and skills acquisition.

OUR VISION

St. George's School strives to become an excellent and reputable centre of learning.

Academic

In Kindergarten, we focus on creating a safe and nurturing environment for children. We encourage engaging and enjoyable learning experiences that promote discovery, creativity and imagination. The curriculum includes various subjects like Jolly Phonics, Maths, Science, Bahasa Melayu, English and Bacaan which aim to foster language and personal development. The curriculum aligns with local elementary programmes to ensure readiness for Year One.
