

## About Us

St. George's School was established in 1937. The school prides itself with its multi-racial, multinational staff and students. Despite our small size, we have a wealth of diverse cultures and communities that have contributed to its unique identity.

St. George's School strives to provide a safe and appropriate academic environment that promotes each student's social, emotional and academic progress. We encourage our students to flourish, grow in self-confidence and to fulfil their potential.

### OUR MISSION

St. George's School strives to provide opportunities for the overall integral development of the students through the process of effective nurturing and skills acquisition.

### OUR VISION

St. George's School strives to become an excellent and reputable centre of learning.
