MUSIC CLASSES: MEETING SESSION WITH PARENTS

St. George's School prides itself with its talented staff and students, especially in the field of music such as dancing, singing or playing musical instruments. The school believes that with proper care, students are able to discover and develop their talents in order to enhance their aesthetic values.

Therefore, the school would like to take this opportunity to organize Music classes in which the students are taught by professional voluntary teachers from different music schools, Jerudong International School and our own school teachers.

Below listed are the musical instruments that will be taught:

1. Violin;
2. Piano/Keyboard;
3. Guitar; and
4. Philippines Traditional Instruments (Octavina and Banduria).

As your child has registered to attend the lessons in one of the musical instruments listed above, therefore we would like to invite parents/guardians to attend a briefing on:

Day : Friday
Date : 8th April, 2016
Time : 10.00 am
Venue : Parish Hall

Kindly fill in the declaration slip. Then cut the completed slip and return it to Teacher Anthony Crisostomo (Primary Section) or Teacher Eugenio Mendoza (Secondary Section) on/before **Thursday, 7th April 2016**.

Your attendance is very much appreciated.
