ROAD SAFETY

We have received complaints about illegally and inconsiderately parked vehicles on the pedestrian/zebra crossing particularly during the school's start and finish times. This not only causes inconvenience to other road users and endangering the lives of pedestrians, particularly students crossing the road, but also infringes the road safety rules and regulations.

Therefore, I am seeking your cooperation and consideration not to park your vehicles on the pedestrian/zebra crossing at any time for the safety of our children.

Your understanding and cooperation are highly appreciated.
