PAYMENT OF SCHOOL FEES FOR THE ACADEMIC YEAR 2021

Please be informed that ALL school fees should be settled by October 2021. Kindly make your payments regularly and accordingly to prevent unpaid school fees from *spiralling out of control*. The accumulation of outstanding school fees will make it more difficult for you to settle them in future.

The school has often faced difficulty with a few parents/guardians who did not fully settle their child's previous year's school fees which were brought forward to the next academic year. This should be stopped but if it continues, your child/ward will **NOT** be promoted to the next level of his/her studies.

Also take note that as much as possible, the school does not want to take these actions toward the students. It is understood that parents/guardians are responsible enough to fulfill their obligation in settling the school fees.

Do take this letter seriously and make your payments regularly so as not to jeopardise your child's/ward's education.

Your cooperation on this matter is greatly appreciated.
