SCHOOL SECURITY SERVICE

The safety of our students, staff and school premises are our top priority. Therefore, the school has hired a new security company that provides a 24-hour security patrol service.

This new security company, **Daimun Security Service** has been in operation since 1st December 2023. Please take note that there will be some changes in the procedures for managing the daily tasks, including regulating traffic flow inside the school's car park during the peak hours between 11:45 am to 12:45 pm. For this purpose, an extra security guard will be deployed.

Therefore, we request your full cooperation to avoid any misunderstanding and in ensuring the guards can conduct their daily tasks effectively.

We appreciate your cooperation and support in this matter.
